

# Building a High School takes more than steel, concrete and glass.

## We need a name!

The Eastern Passage School Naming Committee is seeking help from the residents of Eastern Passage, Cow Bay and Shearwater, in determining the potential name for our new high school.

The committee will be accepting electronic and written submissions for consideration until Monday, June 5th, 2017.

All submissions will be reviewed by the committee, who will then present a list of 3 recommended names to the HRSB for final review and selection.

To submit an electronic recommendation, please visit:
